GROUP EXERCISE CLASS DESCRIPTIONS

<u>Barre</u> is inspired by ballet, but certainly not just for dancers. Barre is a low-impact, full-body workout suitable for everybody at every level. This workout will use the Barre best associated with ballet to strengthen the core, improve muscle endurance and balance, elongate and tone major muscles, and help you discover muscles you never even knew you had! The class will end with a satisfying stretch to restore those muscles. (60 min)

<u>Body Sculpt</u> is a combination of traditional body sculpting methods using free weights, resistance bands and your own body! Designed to provide you with a total body workout in one short hour! Good for all levels. (60 min)

BODYSHRED™ is a high intensity and endurance based 30 minute workout. It utilizes a 3-2-1 approach: 3 minutes of strength, 2 minutes of cardio and 1 minute of abs. You will shred fat, define muscle, transform the look of your entire physique and dramatically enhance your overall health and athletic performance. Before the blast begins, all the moves are previewed and practiced for an awesome warm up. (60 min)

<u>Cardio Sculpt</u> is a combination of cardiovascular and strength training using the Step, Body Bars exercise tubing, and dumbbells. (60 - 75 min)

<u>Group Cycle</u> is a powerful cardiovascular workout that simulates a realistic cycling workout on the road. This class will significantly increase the strength of your lower body. You work at your own fitness level. (45 – 60 min)

<u>PILOXING®</u> workouts are a fusion of boxing and standing Pilates principles. The combination of these disciplines as primary exercise components creates a sense of both physical and mental balance. (60 min)

<u>Pilates Mat</u> is a unified exercise technique composed of several controlled, precise movements aimed at stretching and strengthening the "core" muscles, back, buttocks and abdomen. It can help improve your posture. (60 – 75 min)

<u>Plyo Explosion</u> is the class for you whether you want to lose weight, gain strength, build cardio stamina, increase your agility skills, or all of the above! Work at your own pace (although this class will challenge you) while we do strength circuits, plyometrics, cardio intervals and a touch of Pilates and Yoga elements. Shock your body and expect every week to be different as we play with various forms of equipment, which changes from week to week. (60 min)

<u>Power Sculpt</u> is a powerful total body workout, with emphasis on increasing your strength by using weights, Body Bars and many repetitions. This class will help you sculpt your body. (75 min)

Qigong practice will teach you soothing, easy-to-learn exercises for lasting health and vitality. The sharpness of the mind, the strength of the body, and the clarity of the spirit are all essential for health and vitality. Qigong training combines the graceful movements, breathing, and visualization to form energy building exercises. Qigong is a great way to cross train for any sport, and is suitable for all ages and levels of fitness and coordination. (75 min)

<u>Senior Conditioning</u> focuses on balance, agility, core strengthening, resistance, and flexibility training. Helps improves overall body and mind health. All ages welcome. (60 min)

<u>Zumba</u> combines Latin rhythms with cardiovascular exercise to create an aerobic routine that is fun and easy to follow for everyone. (60 min)

AQUA EXERCISE CLASS DESCRIPTIONS

<u>Aqua Combo</u> combines cardio movements in shallow and deep water to give you a total body workout. This class is designed for all fitness levels. (60 min) <u>Masters Swim</u> is a coached workout designed to improve sprint speed as well as endurance capabilities. All four major strokes are utilized and refined. (60 min)

<u>Pre-Masters</u> is a coached work-out designed for beginners. All four major strokes are utilized and refined. (60 min)

YOGA CLASS DESCRIPTIONS

<u>Aqua Yoga</u> is a great way to work on balance, core strength, flexibility, mindfulness and deep breathing. This class incorporates traditional yoga postures and yoga exercises designed just for the pool. This class is great for everyone! It is especially beneficial for people who have a hard time getting up and down on the floor as done in a traditional yoga mat class. Very helpful for injury recovery, physical therapy and arthritis. (60 min)

Beginning Yoga is a class for those to new Yoga, or coming back to their practice after some abandonment. Gentle in design, this class will teach the fundamentals of yoga with emphasis on relaxation techniques. This is a perfect place to start your practice before experimenting with some of our more challenging classes. Good for beginners and all levels practiced. (90 min)

<u>Core Yoga</u> is movement in connection with breath, creating strength and flexibility. Core/abdominal strengtheners will be of focus and integrated with various Yoga poses in a fun class for any level. Build a greater sense of connection within as you strengthen your body and improve health. (60 min)

<u>Eclectic Yoga</u> combines many styles of yoga, including Vinyasa, Ashtanga, Kundalini, Bikram, Yin, gentle, restorative and meditation techniques. It's challenging to the body/mind and geared towards exercising in spirit! All levels welcome, although some experiences in Yoga are helpful. (90 min)

<u>Gentle Yoga</u> is taught in the styles of Yin, Restorative, Gentle, and Hatha yoga and is conducted in a much slower format than our traditional classes. Expect an easy stretch and yogic conditioning class designed to move the body gently and soothe stiff muscles/joints with an awareness to stress reduction, healing and meditation, breath work and relaxation are a vital part of this class. Great for all levels of practice, but especially for those new to yoga. (60 min)

<u>Vinyasa Yoga</u> is sometimes called Power or Ashtanga Yoga, this energetic and flowing class builds heat and detoxifies the body through a challenging series of sun salutations and yoga poses. The class builds strength, endurance and flexibility in the body and the mind. Students will actively combine poses (asanas) with deep breath work (pranayama), Gestures (mudras), focus (dristi) and bodily contractions (bandhas). Work at your own pace, this practice builds stamina and physical strength. Experience is required. (75 min)

<u>Restorative/Yin Yoga</u> is a mellow class conducted mainly on the floor with props, quiet music and inspirational reading. Yoga poses are held for very long period of time, typically (3-5) minutes. Deep stretching of the connective tissue achieved while gently stimulating energy meridians and letting go of stress. (90 min)
