SUMMER CAMP AGES 5 TO 10

CAMP OVERVIEW

We have an awesome Summer Camp planned for you with weekly themes! A Summer Camp welcome letter will be sent out a week prior to the start of each session with details regarding the sign-in process, extended care, activities, lunch, field trips, and anything else you will need to know prior to the start of the camp session.

There is a maximum 8:1 ratio of campers to leaders. Kids will be grouped together based on their age and stay with the same group all week. Each group of kids will have a designated camp leader that will accompany them to each station, such as arts and crafts, a tennis lesson with a tennis pro, group games, and snack time with healthy food to keep them moving!

All children come together for lunch and free swim after the morning activities conclude. A swim test is administered on Monday of each week to evaluate each child's swim level. A camp leader will be assigned groups of kids in the pool based on their swim level. Lifeguards are also on duty during free swim.

SAMPLE SCHEDULE

The kids will be separated into four groups (**GREEN**, **RED**, **BLUE**, and **YELLOW**) for activities between 10AM-12PM. Depending on the group your child is in, the below schedule of activities will vary during that time.

Sample schedule for the **GREEN** group:
