### Meet Information for Pacific Swimming

All "Online Meet Entries" (OME) are now processed at SwimConnection's new OME website: <http://ome.swimconnection.com>.

Other than moving "online meet entries" over to the new website, our services remain unchanged – this site (Club Pages Central) still continues to handle the same functions: Meet Results, Best Times pages, Top Results lists, memberships for tracking individual swimmers, etc.

[Go to the new Online Meet Entries site](#)

*Please note that the account you have at this site (Club Pages Central) will not work at the new OME site. Signing up for OME is free and just takes a minute. Apologies for the inconvenience.*

Here you will find a list of offered meets as well as the status of “OPEN” or “CLOSED”. A meet must be open to be able to enter a swimmer into this met. Only enter meets approved by your coach, if a swimmer is entered in, and participates in a meet that is not a “team meet” where your coach is present, this can result in a fine from Pacific Swimming.

**First thing first, if you do not already have an account, make sure to hit the “REGISTRATION BUTTON” and create one.**

When you find the meet you are looking for, click the link for that meet.
