

# FIELD TRIPS & WEEKLY THEMES

## Week #1: Into the Wild Field Trip: Happy Hollow

Come take a walk on the wild side! This week in camp we will explore fun activities related to animals, the environment, and all things nature! From gardening to scavenger hunting you won't want to miss this week's adventures!

## Week #2: Camp Olympics Field Trip: Golfland

Get ready, because the summer olympics are in full swing at LGSRC'S summer camp. This week campers will create sports themed crafts and learn the fundamentals of a variety of summer sports, all while practicing good sportsmanship in an enriching, yet supportive environment.

## Week #3: Stem-Tastic Innovations Field Trip: Tech Museum

It is all about science, technology, engineering and math! Your young scientist will have fun exploring the scientific method while doing chemistry, biology, and physics experiments! Art and science converge with cool chromatography crafts. Let your child's mind explore the wonder of new innovations this week in an educational and collaborative space!

## Week #4: Wild Wild West Field Trip: Pump It Up

Giddy-up Buckaroo! This week in camp, children will learn about the California gold rush, learn to lasso, and even get the chance to write and act out their own spaghetti western scene! Yee-haw it's going to be a western party for all!

## Week #5: Summer In Color Field Trip: Discovery Museum

Get your oil pastels and paint brushes ready! This week in camp is all about art! Your child will let out their inner picasso by exploring the various mediums of art. Drawing, painting, sculpting and even photography will be the highlights of this week's activities. Each day we will also implement a short lesson on art history and appreciation.

## Week #6: Cosmic Expeditions Field Trip: Funtropolis

This week, children will learn and explore the wonders of outer space by making galaxy print crafts, building their own planetarium, painting moon rocks, and even shooting (mini-paper) rockets. It's going to be totally out of this

## Week #7: Aquatic Adventures Field Trip: Golfland

Get ready to dive into camp....literally! This week, we'll have a water balloon toss, learn all about marine life, and make aquatic themed crafts. It's going to be a summer splash your child won't forget.

## Week #8: Fantasy Land Field Trip: Happy Hollow

Dragons, wizards, fairies and trolls OH MY! This week children will let their imaginations flourish while entering a world of fantasy and wonder. Knights in shining armor will design their own code of arms, fairy princesses will learn to make flower crowns, and children will have the opportunity to create their very own model castle from recycled sustainable materials! Get your wings and wands ready because we're conjuring up our very own Fantasy Land.

## Week #9: Around the World Field Trip: Pump It Up

Grab your passports and suitcases because we are traveling around the globe! Each day we will explore games, crafts, activities, language and even food from different countries! Thursday of this week, children will be invited to bring in something from their family's culture to present or share! This week's travel itinerary is going to be filled with fun!
