GROUP EXERCISE CLASS DESCRIPTIONS

Barre Sculpt: A low-impact, high-intensity workout inspired by ballet, yoga, and Pilates. Strengthen, tone, and improve balance using light weights, bands, or small balls for a lean, strong body.

Beats n Feet's: Unleash your inner rock star. Get an overall body workout while drumming to your favorite songs.

Cardio Sculpt: Combines cardio & strength training using body weight, body bar, dumbbells, & resistance bands.

Cycle: A high-energy ride that mimics real-road cycling while boosting cardiovascular endurance and lower-body strength always at your own pace.

Cycle Boot Camp: Full-body workout pairs heart-pumping cycling intervals with weighted training.

Foam Rolling: Use foam rollers and rubber balls to release tension, improve flexibility, and wake up your body from head to toe. All levels welcome.

Gentle Yoga: A soothing blend of Yin, Restorative, Gentle, and Hatha styles focused on gentle movement, stretching, and relaxation. Ideal for all levels, especially beginners seeking stress relief and healing.

Master Swim: A coached workout designed to improve sprint speed & endurance capabilities.

Pilates Mat: A focused practice using controlled, precise movements to strengthen and stretch the core, back, glutes, and abdominals while improving overall posture.

Pilates Sculpt Plus: Pilates fundamentals combined with cardio strength training & corrective exercises using the foam roller, a wider variety of hand weights, resistance bands, balls, & the magic ring.

Pilates Fusion: A dynamic blend of Pilates, strength, and flexibility training that tones your core, improves posture, and enhances balance. Expect controlled, full-body movements for a strong, sculpted, and mindful workout.

Slow Flow Yoga: A mindful, fluid practice that builds strength, flexibility, and balance through breath-led movement and graceful alignment. Conclude with deep relaxation to leave you grounded and rejuvenated.

Step & Sculpt: This is a sculpting class using core balance, step, a weighted bar, & dumbbells, followed with a 10-minute stretch. It's a total body workout.

Strength & Sculpt: Shift your body into high gear through an intense muscle endurance and strength workout. This is a muscle-toning class that focuses on building core strength.

Strength & Stretch: A fun, all-levels class combining full-body strength training with dumbbells and resistance exercises, followed by a 15-minute stretch.

ToughAgers®: A total-body workout for active older adults combining low-impact cardio, strength, balance, core, and flexibility training. Includes modifications for all fitness levels.

ToughAgers® Muscle: A safe, strength-focused senior fitness class featuring a warm-up, dynamic stretching, and full-body training with dumbbells and resistance bands. Each session ends with standing flexibility work to support mobility and reduce injury risk.

Water Fitness: Combines cardio movements in shallow & deep water to give a total body workout. This class uses hand buoys and hydro noodles. Water Fitness is for all fitness levels.

Yin/Restorative Yoga: Yin and restorative yoga are both gentle, slow-paced styles that focus on relaxation and deep stretching, offering numerous physical, mental, and emotional benefits.

Yoga 4 All: A breath-centered, all-levels practice that builds strength, balance, and flexibility—focusing on progress over perfection to energize and tone the body.

Yoga Strong: A dynamic yoga flow blending strength and conditioning exercises to track your progress. Incorporates bodyweight moves, bands, isometrics, and plyometrics for a powerful, balanced workout.

Zumba: Combines Latin rhythms with cardio exercise to create an aerobic routine that is fun & easy to follow.
